#### (e) Update on the Glapwell Newsletter

It was noted that the newsletter had been printed and almost fully distributed to the residents of Glapwell, thanks to the efforts of Members.

#### (f) Playground Facilities on the Green

As noted in her report, the Clerk advised she had endeavored to seek match funding from The Tarmac LCF. Their guidelines

state the applicant must be located within 10 miles of a licensed landfill site, this fund requires that projects are also located within 4 miles of a Tarmac waste, quarry or cement & lime operation. Using the postcode in our email, it appears that there are no Tarmac operations within a 4 mile radius of our location. The nearest qualifying Tarmac site is Whitwell Quarry, approx. 7 miles away.

The Clerk has been advised that the Trust does run the DET Funding Scheme once a year (funds permitting) however, the 2024 funding round closed to applications on 27<sup>th</sup> September. A decision of whether the fund will run in 2025 is expected in the Spring.

The Clerk has been advised that our location is not in the eligible area for Biffa Award or Veolia Environmental Trust funding.

**Resolved:** For the Clerk to explore whether the location of Markham ex Colliery site, at J29A would fit the criteria. Also, for the Clerk to procure funding opportunities available from Costco Installation.

#### (g) Safeguarding

The Clerk advised members that she had located the Umbrella Body Agreement, which had been signed by the Derbyshire County Council Solicitor and Employment Officer, but not by Glapwell Parish Council. The Clerk further advised members that she had contacted Derbyshire County Council in order to acquire a new Agreement.

**Resolved:** that the Parish Council takes the necessary steps to meet legislation requirements and that the following be DBS checked:

Phil Davies (Volunteer)
Jodi Peters (Employee)

#### (i) Councillor Training – to receive update

Upon discussion it was **Resolved:** To defer arranging a date until the Council co-opts another Councillor. Members acknowledged that two interviews were taking place on the 21st November 2024, and on that basis, training should be arranged for the New Year 2025.

#### (j) To consider updating the lettings policy

## (k) To receive an update on the emergency grant offer from ECB (England Cricket Board) in order to erect a fence on the boundary edge of the cricket pitch, to retain the ball on that side

Upon discussion it was noted that to date, we had only received one quote from Derwent Fencing, who had quoted £15,275.00, plus VAT, where applicable, which consisted of using timber posts. **Resolved:** to go with a higher specification using concrete posts and concrete gravel boards at an extra cost of £5,000.00, plus VAT, where applicable. Also, to wait a couple of weeks to see if the other two companies, (Rainsworth Fencing and Moulds Fencing), who had been invited to quote respond, and if they don't, then to go with the quote from Derwent at a revised cost of circa £20,275.00, plus VAT, where applicable. (Cllr Ritchie left the meeting at 8.50pm, prior to the discussion of this item).

## (I) To receive an update on assisting Glapwell Colliery Cricket Club in acquiring a lease for the cricket ground

Following discussion it was **Resolved:** That the Clerk contact Banner Jones and liaise with them regarding the further progression of the lease. Also, to advise Banner Jones that the rent is to be a peppercorn rent of £50.00 per annum. The length of the lease would depend on the amount of funding Glapwell Colliery Cricket Club were able to access. Therefore, the Clerk to liaise with Cllr Ritchie to clarify this detail.
